* We cannot thus accept graduate students who are enrolled in the first semester of the Master's program at their application stage.

- Applicants must fulfill the following GPA requirement. (from Fall 2020's admission)

Undergraduate	GPA 2.5/4.0 (equivalent to 2.7/4.3) or percentile rank 83
Graduate	GPA 3.0/4.0 (equivalent to 3.3/4.3) or percentile rank 89

- Fluent level of either English or Korean language proficiency is highly recommended, but no certification is required.

English	TOEFL	IBT 88 or above
	IELTS	6.0 or above
	TEPS	560 or above
Korean	TOPIK	Level 5 or above

2) Academic Programs

All applicants for exchange/visiting program must choose **one college and department** as their affiliation and in general, applicants choose one that most suits their academic background or study abroad purpose. Students can, however, take other unrestricted courses from different colleges and departments.

- Applicants from SNU's university-wide partners can in principle apply for any academic program. Please, however, note that applicants must read the restrictions below thoroughly before making a department choice and applicants may be required to change their choice if SNU finds it difficult to accommodate it.

- Applicants from SNU's college/department-level partners must choose the specific college and department.

Undergraduate <http://en.snu.ac.kr/undergraduate-programs>

Graduate <http://en.snu.ac.kr/graduate-school> / <http://en.snu.ac.kr/professional-graduate-schools>

3) Restriction

* Applicants who wish to study in the discipline of **Medicine, Pharmacy, Dentistry, Nursing, Music, Fine Arts, and MBA** must, in advance, be advised of the program availability by SNU exchange program coordinators.

- **College of Business Administration** is restricted to students who are currently majoring in business or economics at home university.

Considering the current lack of course capacity for exchange students, CBA has decided that from Fall 2019's admission, they will **strictly control the number of accepted exchange students to CBA** to provide quality education and better administrative support. In this regard, it is more likely than the past that students who apply for CBA **might get rejected** during the screening procedure.

- **Undergraduate** applicants for **Dept. of Computer Science and Engineering** must have earned at least 15 credits in CSE-related courses (one credit corresponds to 15 lecture hours or 30 lab hours). This must be explicitly shown on the official transcript; if not, additional proof must be presented by the student.

Starting from Spring 2020's admission, CSE has decided to **control the number of accepted exchange students on the undergraduate-level**, due to lack of course capacity and placement. During the

screening procedure, various criteria (including GPA) could be used in determining acceptance.

- **Dept. of Korean History/Psychology/Statistics/Pharmacy** requires applicants to provide a proof of Korean language proficiency. A satisfactory level of Korean language ability should be Level 5 or above of the official Korean Language Proficiency Test, TOPIK.
- **College of Law** is NOT available to undergraduate level students from Spring 2018.
 - * School of Law, a specialized law school for graduate level students, instead, will be open to undergraduate students from Fall 2018. Please note that these undergraduate students will be enrolled as graduate (Master's) students in SNU law school during their study.
- **Dept. of Vocal Music** is restricted to students who are currently studying vocal music at home university.
- **College of Medicine** is NO longer available to exchange students.
- **School of Dentistry** is open only to graduate students currently enrolled in a Master's program at School of Dentistry or the equivalent at home university.
- **Graduate School of Business (MBA program)** is restricted to current full-time MBA applicants at home university. Applicants must be aware that the academic system of MBA program differs from that of other programs (Details to be individually announced from the MBA coordinator). For further information about MBA courses, please visit SNU GSB website at gsb.snu.ac.kr or contact MBA Office at mba@snu.ac.kr.
